

## From the Desk of Deputy Commissioner

**It gives me immense pleasure in presenting Official Web Portal of Jalandhar District Administration, developed by National Informatics Centre Jalandhar, to Citizens of Jalandhar.**

**The Web Portal features many sections such as Administration Setup, Area, Population, People, Available Infrastructure, History & Culture, Sports, District at a Glance and Telephone Directory of important Government Offices etc. The new initiatives of Digital India / Smart Jalandhar / Swachh Bharat Abhiyan / Career Counselling are covering latest happenings of the District.**

**Taking a step further towards improving public interface of the Administration, Citizen Centric Information pertaining to Online Services and Links to important websites are also given in the website. I am looking forward to constructive Suggestions from the public for further improving the Web Portal.**

**I convey my sincere thanks to the District / Sectoral Officers, Public Representatives and other Officers/ Officials of DC's Office and NIC, who have extended their cooperation / help in bringing up this Web Portal.**
